

**Section 10 | Subscriber's role**

EPCglobal subscribers agree to:

- Abide by the EPCglobal Standards development methodology and processes.
- Represent their industry segment and to pursue the common good of their supply chain.
- Actively participate in EPCglobal readiness, deployment and implementation activities.
- Actively recruit company trading partners and solution providers to subscribe to EPCglobal.
- Provide company resources to EPCglobal from time to time to support their organisation's participation in EPCglobal initiatives.

**Section 11 | Communications**

As an EPCglobal subscriber, subscriber agrees to support various public and media events when appropriate for subscriber business and permit the use of subscriber firm's logo on EPCglobal public and promotional materials (with prior approval), and permitting EPCglobal to identify subscriber as a participant in the initiative.

**Section 12 | Terms and Conditions**

By subscribing to EPCglobal, I will comply with the following terms and conditions of this subscription:

- Participation in EPCglobal and to follow all guidelines and principles set forth by EAN, UCC and EPCglobal. Participation in Action Groups shall require a completed and signed IP Policy.
- Payment of the initial subscription fee and subsequent annual renewal fees as set forth in the EPCglobal Subscription Fee Schedule. Thereafter, I will pay an annual renewal fee which will be due one year from the date the subscription is completed. This fee is subject to change.

**Section 13 | Declaration**

I hereby declare that the information given above is correct and by registering *(insert company name below)*

as a subscriber of EPCglobal, I understand that membership subscriptions are payable annually in advance unless the company formally resigns in writing. In the event of resignation, our EPCglobal assigned EPC Managers and identifiers will be returned to EPCglobal for re-issue to other subscribed members and our company will no longer be entitled to use them.

Application for Subscription

**Overview**

This subscription fee schedule only applies to companies with headquarter locations in New Zealand. Initial and annual subscription fees vary based on participation in EPCglobal New Zealand as an End User or a Solution Partner. Companies headquartered in New Zealand pay all subscription fees to EPCglobal New Zealand.

**End User****Initial Subscription Fee:**

Subscription is the vehicle End User companies use to initiate participation in the EPCglobal community. This fee schedule covers full access to the EPC Network and associated Standards.

**End User Subscription Fee Schedule**

Tick	Subscription level	Turnover (NZ\$)	Fees Converted for GDP (NZ\$)
<input type="radio"/>	1	less than \$160k	500
<input type="radio"/>	2	\$160k - \$800k	800
<input type="radio"/>	3	\$800k - \$1.6Mil	1,300
<input type="radio"/>	4	\$1.6Mil - \$8Mil	2,000
<input type="radio"/>	5	\$8Mil - \$16Mil	3,200
<input type="radio"/>	6	\$16Mil - \$160Mil	6,400
<input type="radio"/>	7	\$160Mil - \$800Mil	16,000
<input type="radio"/>	8	\$800Mil - \$1.6Bil	32,000
<input type="radio"/>	9	\$1.6Bil - \$16Bil	48,000
<input type="radio"/>	10	\$16Bil - \$40Bil	64,000
<input type="radio"/>	11	\$40Bil - \$65Bil	95,500
<input type="radio"/>	12	Greater than \$65Bil	128,000

**Additional EPC Manager Number Fees:**

End Users can subscribe to additional EPC Manager Numbers at any time, as required to support their business needs based on the following fee schedule.

**Additional Capacity Fees**

Tick	Quantity	Initial Fee per EPC Manager (NZ\$)
<input type="radio"/>	1-10	2,300
<input type="radio"/>	11-50	2,000
<input type="radio"/>	51-200	1,300
<input type="radio"/>	201-500	800
<input type="radio"/>	501 plus	600

Note: The discount schedule listed in Table 2 applies each time additional EPC Manager Numbers are requested. Multiple purchases of additional EPC Manager Number capacity are not considered as cumulative, relative to Table 2.

**Annual Renewal Fee:**

The End User subscription model includes annual renewal fees payable on the anniversary date of initial subscription to EPCglobal New Zealand. The annual renewal fee shall not be higher than 20% of the initial subscription fee.

**Solution Partner****Annual Subscription Fee:**

Solution Partners are encouraged to join EPCglobal New Zealand to help commercialise the many technologies essential for EPC Network adoption. This annual subscription fee covers marketing activities and enables participation within the EPCglobal community. It does not include an EPC Manager Number, as this subscription offering is intended for organisations that help the End User community move goods through the supply chain. Annual fees are payable on the anniversary date of initial subscription to EPCglobal New Zealand.

**Solution Partner Program Fee Schedule**

Tick	Turnover (NZ\$)	Fees (NZ\$)
<input type="radio"/>	less than \$80Mil*	3,200
<input type="radio"/>	\$80Mil or more	32,000

- This category includes non-profit and not-for-profits, academia, and for-profit companies with annual revenue under \$50 million.

Solution Partner companies wishing to register for an EPC Manager Number will be subject to an End User initial subscription fee schedule and annual subscription fees as detailed in the End User portion of this fee schedule.

**Section 1 | Determine your subscription type**

- Join as an End User
- Join as a Solution Provider

Payment details for cheques will be conveyed with receipt of invoice.

**Section 8 | Privacy Act 1993**

All personal data is kept in accordance with the Privacy Act 1993.

- If you do not wish to receive offers and invites from GSI New Zealand or third parties please tick here

**Section 9 | EPCglobal Objectives.**

EPCglobal subscribers wish to support and encourage the development and activities of EPCglobal and acknowledge that the objectives of EPCglobal include:

- Lead a global non-profit consortium (with participation from throughout the supply chain) that brings business executives together from member companies. Their objectives are to define and agree on common technical Standards to be developed and implemented within their organisations.
- Prioritise Standards development activities based on their potential for value creation in the industry.
- Champion rapid adoption and implementation of EPCglobal Standards within member companies and the industry.
- Measure and communicate the value and impact of EPCglobal implementation.
